EXPERIENCE

UX Designer

Catholic Relief Services - Baltimore, MD

December 2021 to the present

- Currently working as a contractor for CRS, ensuring the creation and implementation of customized experiences for the digital user.

Web Designer

WebSight Design - Sausalito, CA

December 1998 to December 2021

- Built and styled over 200 web sites, thoroughly covering every aspect of web production, from the initial design phase, to working with developers to bring the front end together with backend programming.
- Created site layouts, user interfaces, mock-ups and other client related needs in the marketing arena. Various projects completed using Photoshop, Illustrator, HTML, CSS as well as film and video production.
- Established close working relationships with high-profile clientele like Carlos Santana, Hard Rock Hotel, Tres Agaves, and the Milagro Foundation.

Web Designer (UI/UX)

inmotionnow - Research Triangle Park, NC

March 2006 to May 2008

- Responsible for all design and marketing needs of the company.
- Established milestones for all projects and worked with team members to meet aggressive deadlines.
- Developed and maintained company web site, marketing materials, software product design and implementation, and sales presentations.
